

Welcome to the „Landlust“!

We have been running our Landlust with heart and soul for 12 years now
Thank you very much for allowing us to be your hosts for so long.

From the *babyshower* to the *baptismal party*,
from the *start of school* to *graduation*,
from the *first date* to the *wedding*
and occasionally also companions in *sad periods of life*.

We think a restaurant or pub is a *place for everyone*.

colourful • lively • warm

It's great and lovely that you're a part of it!
